## HINDQUARTER BBQ CATERING

---

**Our Hindquarter BBQ Catering Company offers a wide variety of options for on and off site catering. With our custom BBQ trailer we are able to bring the party right to you. We do it all from the set up to clean up. The only thing we leave for you is the seating arrangements. Hindquarter BBQ is also available for pick up for those smaller parties where the BBQ trailer is not needed. Call and ask for Mindy, our BBQ coordinator at 253.209.2800 and she will assist you with all the details to make your event a memorable one.**
